H,

Been waiting to hear this great news. He must have made your life miserable. Simply a bad guy. So tired of people who try to damage the US, while the US does so much for others. Ahh, where is the justice and common sense these days ? Hope all the current world madness somehow gives you time to prepare for Christmas and enjoy the simple things. Took to pick out Christmas tree last weekend. If there is better stuff than that I don't know what it is. Anyway, hope the Wikileaker gets what is coming to him. Happy Christmas preps.
