

SAPs = Special Access Programs

<https://www.grassley.senate.gov/news/news-releases/grassley-deliberate-mishandling-classified-information-requires-accountability>

In total, Secretary Clinton's use of a non-government server for government business caused 588 security violations for mishandling classified information. Some of that classified information was classified at the highest levels, including Top Secret/Special Access Program information.
