FRANK GIUSTRA*

(2013-present)

Frank Giustra is president and chief executive officer of Fiore Financial Corporation, a private firm managing a broad portfolio of private equity investments. Frank has an established track record of building natural resource companies through access to capital and creative deal-making. As president and later chairman and chief executive officer of Yorkton Securities in the 1990s, he grew the firm into a leading natural resource investment bank. As chairman of Endeavour Financial from 2001 to 2007, his vision and leadership led to the successful launch of numerous resource companies, including Wheaton River Minerals

> “But Canadians are not just engaged at home. Abroad, Canadian business leaders like Frank Giustra have done amazing work to make it easier for vulnerable migrants to find a place to live. Last November, Frank went to Lesbos in Greece and to help set up a reception centre to offer shelter for 1500 refugees arriving by sea. He went back just last March with members of Vancouver’s search and rescue team to help the local authorities save more lives.”
