>> I know you can't look past Bernie and March primaries -- but who is in charge of the Trump swift boat project? Needs to be ready, funded and unleashed when we decide -- but not a half assed scramble.

swiftboating: https://en.wikipedia.org/wiki/Swiftboating

The term **swiftboating** (also **swift-boating** or **swift boating**) is a pejorative American neologism used to describe an unfair or untrue political attack. The term is derived from the name of the organization "Swift Boat Veterans for Truth" (SBVT, later the Swift Vets and POWs for Truth) because of their widely publicized—and later discredited—campaign against 2004 U.S. presidential candidate John Kerry.[1][2][3][4]
