EXCLUSIVE: 'American mercenaries are torturing' Saudi elite rounded up by new crown prince - and billionaire Prince Alwaleed was hung upside down 'just to send a message'

- Source in Saudi Arabia says American private security contractors are carrying out 'interrogations' on princes and billionaires arrested in crackdown
- Detained members of Saudi elite have been hung by their feet and beaten by interrogates, source says
- Among those hung upside down are Prince Alwaleed bin Talal, an investor worth at least $7 billion who is being held at Riyadh's Ritz Carlton
- Arrests were ordered three weeks ago by Crown Prince Mohammed bin Salman
- Source claims mercenaries are from 'Blackwater', a claim also made by Lebanese president
- But its successor firm denies it has any operations in Saudi Arabia whatsoever and says its staff abide by U.S. law
- Americans who commit torture abroad can be jailed for up to 20 years

'VIVA LE RESISTANCE': MUELLER TEAM ATTORNEY SENT ANTI-TRUMP TEXTS

Chuck Ross | Reporter 6:52 PM 06/14/2018

An FBI attorney who worked on the special counsel's Russia investigation until earlier this year sent anti-Trump text messages to a colleague, including one exclaiming: "Viva le Resistance."

The attorney's comments are revealed in a Justice Department inspector general's report released on Thursday.

The lawyer is not identified, but he worked on the Hillary Clinton email investigation and was the FBI's lead attorney on the investigation into Russian election interference. He was assigned to special counsel Robert Mueller's investigation soon after it began in May 2017 and left in late February of this year after some of his private messages were shared with the special counsel.

2. This prompts Congressman Nunes to send out a text asking for the identity of this DOJ lawyer.

The National Security Division (NSD) inside the DOJ is where all of the collaboration on Russia-Trump-dossier appears to have taken place. The NSD is a sub-division within the DOJ similar to the Counterintelligence Division within the FBI.

John McCain

From Wikipedia, the free encyclopedia

For other people named John McCain, see John McCain (disambiguation).

John Sidney McCain III (August 29, 1936 – August 25, 2018) was an American statesman[1] who served as a United States Senator from Arizona from 1987 until his death. He previously served two terms in the United States House of Representatives and was the Republican nominee for President of the United States in the 2008 election, which he lost to Barack Obama.

John McCain, military hero and Senate "maverick," has died at 81

Share / Tweet / Reddit / Flipboard / Email

John McCain, the military hero who had a long career as a "maverick" Republican senator, has died, his Senate office confirmed on Saturday. He was 81.

In a statement, his Senate office said he died at 4:28 p.m. on August 25, surrounded by his wife Cindy and his family.

McCain was diagnosed with glioblastoma, an aggressive form of brain cancer, in July 2017. On August 24, McCain's family said that "with his usual strength of will," he had chosen to discontinue treatment. Though McCain had "surpassed expectations for his survival, ... the progress of disease and the inexorable advance of age render their verdict," the statement said.

Pope wants to change 'Lord's Prayer' as it implies God 'induces temptation'

POPE Francis has called for the Lord's prayer to be changed – arguing that the translation used by many parts of the world goes against the teachings of the Bible.

By VINCENT WOOD
PUBLISHED: 13:44, Thu, Dec 7, 2017 | UPDATED: 15:09, Thu, Dec 7, 2017

"Specifically, the Catholic leader said in an interview Wednesday he would prefer to adjust the phrase "lead us not into temptation," saying that it too strongly suggested that God leads people to sin.

"That is not a good translation," the pope said, according to Reuters.

The phrase "do not let us fall into temptation," which the Catholic Church in France has previously decided to use, would be a more appropriate alternative, Francis said."

Comey throws AG Lynch "under the bus!" Why can't we all find out what happened on the tarmac in the back of the plane with Wild Bill and Lynch? Was she promised a Supreme Court seat, or AG, in order to lay off Hillary. No golf and grandkids talk (give us all a break)!

Included in IG report is testimony pointing to 13 Obama officials using private emails and pseudonyms (to avoid scrutiny & subvert FOIA law). Q communicated this nearly 5 months before it was made public.

From OIG Report (June 14, 2918)

[75] FBI analysts and Prosecutor 2 told us that former President Barack Obama was one of the 13 individuals with whom Clinton had direct contact using her clintonemail.com account. Obama, like other high level government officials, used a pseudonym for his username on his official government email account. The analysts told us that they questioned whether Obama's email address (combined with salutations that revealed that the emails were being exchanged with Obama) or other information contained in the emails were classified and, thus, sent the emails to relevant USIC agencies for classification review. However, they stated that the USIC agencies determined that none of the emails contained classified information.
