**'VIVA LE RESISTANCE': MUELLER TEAM ATTORNEY SENT ANTI-TRUMP TEXTS**

Chuck Ross | Reporter 6:52 PM 06/14/2018

An FBI attorney who worked on the special counsel's Russia investigation until earlier this year sent anti-Trump text messages to a colleague, including one exclaiming: "Viva le Resistance."

The attorney's comments are revealed in a Justice Department inspector general's report released on Thursday.

The lawyer is not identified, but he worked on the Hillary Clinton email investigation and was the FBI's lead attorney on the investigation into Russian election interference. He was assigned to special counsel Robert Mueller's investigation soon after it began in May 2017 and left in late February of this year after some of his private messages were shared with the special counsel.

2. This prompts Congressman Nunes to send out a text asking for the identity of this DOJ lawyer.

Can anyone tell me who the DOJ lawyer is that speaks French via text in the IG report? This will save a lot of time in the hearings this week so my colleagues won't have to ask this question...

## John McCain, military hero and Senate "maverick," has died at 81

Share / Tweet / Reddit / Flipboard / Email

John McCain, the military hero who had a long career as a "maverick" Republican senator, has died, his Senate office confirmed on Saturday. He was 81.

In a statement, his Senate office said he died at 4:28 p.m. on August 25, surrounded by his wife Cindy and his family.

McCain was diagnosed with glioblastoma, an aggressive form of brain cancer, in July 2017. On August 24, McCain's family said that "with his usual strength of will," he had chosen to discontinue treatment. Though McCain had "surpassed expectations for his survival, ... the progress of disease and the inexorable advance of age render their verdict," the statement said.

"Specifically, the Catholic leader said in an interview Wednesday he would prefer to adjust the phrase "lead us not into temptation," saying that it too strongly suggested that God leads people to sin.

"That is not a good translation," the pope said, according to [Reuters](#).

The phrase "do not let us fall into temptation," which the Catholic Church in France has previously decided to use, would be a more appropriate alternative, Francis said."

<sup>75</sup> FBI analysts and Prosecutor 2 told us that former President Barack Obama was one of the 13 individuals with whom Clinton had direct contact using her clintonemail.com account. Obama, like other high level government officials, used a pseudonym for his username on his official government email account. The analysts told us that they questioned whether Obama's email address (combined with salutations that revealed that the emails were being exchanged with Obama) or other information contained in the emails were classified and, thus, sent the emails to relevant USIC agencies for classification review. However, they stated that the USIC agencies determined that none of the emails contained classified information.

### Q Anon: Preface

Let me start off by saying that the Q Anon / Q Clearance Patriot posts are so vast in scope, to summarize 'everything' is nearly impossible. The posts paint a huge picture around the basis that 'everything is connected and everything has meaning'.

I'm going to give you my feeble attempt at the cliff notes version of just a few of the first posts and expand on it a little.
