Why wasn't HRC prosecuted for the emails? Put simply, Obama ultimately OK'd by using the non govt email addy to communicate w/ Clinton. Obama also had an alias along with each of his cabinet members. Therefore indicting HRC would lead to indicting Obama & his cabinet etc which could never happen. Remember he lied about knowing but that ultimately came out in the dump. Poof!

HRC = Hillary Rodham Clinton

Continuation of FD-302 of Interview of Huma Abedin. On 4/5/2016, Page 10

(U//~~FOUO~~) ABEDIN provided that when CLINTON needed to contact the President she would have [redacted] call the oval office to coordinate the meeting or call. ABEDIN believed that CLINTON had the President's email address but ABEDIN did not know what it was. ABEDIN noted that the President could only receive emails from approved addresses. She recounted that when CLINTON changed her primary email address they had to notify the White House so that CLINTON's emails would not be rejected by the server. ABEDIN was not sure how often CLINTON emailed the President. ABEDIN was shown an email chain dated June 28, 2012, with the subject "Re: Congratulations!" ABEDIN did not recognize the name of the sender. Once informed that the sender's name is believed to be a pseudonym used by the President, ABEDIN exclaimed "How is this not classified?" ABEDIN then expressed her amazement at the President's use of a pseudonym and asked if she could have a copy of the email. ABEDIN provided that she did not go on the trip to St. Petersburg and noted that security protocols in St. Petersburg were not necessarily the same as they were in Moscow, where they were not allowed use to their Blackberries.
