Seth Rich only mentioned because it directly relates to SA.
Las Vegas.
What hotel did the 'reported' gunfire occur from?
What floors specifically?
Who owns the top floors?
Top floors only.
Why is that relevant?
What was the shooter's name?
What was his net worth?
How do you identify a spook?
What can historical data collection reveal?
Was there any eye witnesses?
Who?
Was he registered as a security guard?
Why is MS13 important?
What doesn't add up?
Was there only one shooter?
Why was JFK released?
What do the JFK files infer?
Was there only one shooter?
Who was in LV during this time?
What was the real mission?
Speculate.
Why are survivors dying randomly?
What do each of these survivors have in common?
Did they talk on social media?
What did they say?
Were they going to form a group?
Why is this relevant?
How did they die?
What CIA report was released by WK?
What can control a car?
How did the (2) of the survivors die?
Car crash?
How does this connect to SA?
What just happened in SA?
Who owns the top floors of the hotel?
What happened today in SA?
To who specifically?
Was POTUS in LV that night?
Yes/no?
Why was he there?
Who did he have a classified meeting with?
Did AF1 land at McCarran?
What unmarked tail numbers flew into McCarren that night?
Trace AF1 that entire day.
What do you notice?
Classified.

According to POTITO only two organizations knew the route of the parade in Dallas on November 22, 1963 for any period of time prior to the parade and these two were the United States Secret Service and the Dallas Police Department. RUBY had insinuated himself into the Police Department circle, obtained the route and arranged with OSWALD to take the job at the state school building along the route to carry out the assassination.

POTITO said the "Surgeon General's report" on the assassination stated the first bullet entered the President's throat below the adams apple clearly showing that two persons were involved with the first shot being fired from the bridge across the park way in front of the car. To further substantiate this, POTITO said there was a bullet hole in the wind shield of the President's car.
